19. Deanna Hively  
All three commissioners  
Nate Raybeck

The Preston County Commission met in Special Session at 10:30 a.m., March 14, 2024 in the County Commission Meeting room.

The meeting was called to order by President Don Smith who read the Notice of Special Session for discussion on the EMS service contract and map service territory.

The county received \$125,581.40 in funds to disperse to the EMS agencies to enhance salaries for employee retention. A contract was established to be used as a conduit that would cover any funding to the EMS Agencies from the commission now and in the future. The contract, as it stands, was tabled for signing, at this time, because several EMS personnel had issues with the verbiage in the contract.

There was discussion of having each EMS Agency sign a one-page Agreement stating they would adhere to the terms, for the money given them, based on call volume. (See EMS calls by area below). The agencies must provide proof the funds were used for the purpose intended as stated in code.

There was also discussion of funds received in the amount of \$18,181.81 for crisis response. Pam Thomas noted specifically the money is to be used to train 10 people from the county in crisis response for 1<sup>st</sup> responders. Commissioner Smith asked them to research the course, find a venue and pull several people together to take it.

An Agreement will be emailed to all agencies. If everyone agrees, it will be voted on at the next meeting and the money will be dispersed.

The Agencies were also asked to look at the contract, suggest adjustments so the changes can be made for the contract to be in place for any future funding, fee or otherwise. The territories will get another look and a conversation with Rowlesburg will be had.

If Agency Responses were greater than Dispatches, then Dispatch category will be changed to match the Response. This will keep % under 100%. Response numbers are actual and will never be changed. The agency may have responded off a Transport, EMS North or EMS South dispatch. Just because an Agency shows 100%, does not equate to them taking 100% of their calls. They may have missed direct pages, but responded on mass notification pages.

2023 TOTAL RESPONSES  
989

If Agency Responses were greater than Dispatches, then Dispatch category will be changed to match the Response. This will keep % under 100%. Response numbers are actual and will never be changed. The agency may have responded off a Transport, EMS North or EMS South dispatch. Just because an Agency shows 100%, does not equate to them taking 100% of their calls. They may have missed direct pages, but responded on mass notification pages.
